Dear Mr. Boretz:

We sincerely appreciate your having submitted *MADE IN AMERICA* to the Philadelphia Festival Theatre for New Plays, and for permitting us to consider it for production.

Although we have ultimately been unable to find an appropriate place for this piece in our 1988-89 season we want you to know how much we admire your writing. *MADE IN AMERICA* is a compelling, genuinely felt story with a weighty and consistent voice.

We wish you every success, and hope that you will keep us posted on the play's development. With your permission we would like to hold on to the script so that we may consider it in the future.

In the meantime, please keep us informed of your activities, and we hope you will send us more of your work. With many thanks for your interest in this theatre, and with best wishes to you in your continued work, I am

Sincerely,

Dr. Carol Rocamora
Artistic and Producing Director
